NEWS AND VIEWS...

And What Have You

By BOB CRAIG

The BCD Industrial Development Committee, headed by Pat Willoughby, has started the ball rolling on forming an Industrial Foundation for Hamlin. The Committee is also working on the formation of an Industrial Team.

The Group met last week and made plans to enlarge the committee to cover a larger segment of those people who might be interested in working on such a project. The first meeting of the enlarged group was held here Tuesday evening.

Since this is being written on Monday, we do not know what kind of response was generated at the meeting, but hopefully the first big step in attracting industry to Hamlin will be made by this group.

We have tried to point out many times in this column that Hamlin can not just stand and wait for a new industry to come to us—we must get organized and go after these prospects.

We have been told in the past by experts in this field that in order to attract new industry a community must have an Industrial Foundation and a team trained to meet with the potential prospects. Hopefully, out of this meeting Tuesday night will come the first step in reaching both of these goals.

The purpose of a Foundation is to raise money to provide funds to help provide buildings or building sites for new industry. In many cases the funds have been used by communities to help local industry grow. Sometimes communities use these funds to buy or take out options on land that would be suitable for industrial development. There are many government loans available that require a local foundation to provide part of the funds.

It is the hope of the committee that a number of people, hopefully as many as 10 or more, will be interested in taking part in the Industrial Team project. It is the goal of the committee to send this group to Austin for a one-day training session to be conducted by the Texas Industrial Commission.

The purpose of this group is to come up with the answers to all of the questions about Hamlin that a prospective industry would need to know. This team must know about local utilities, transportation, building sites, financing, labor, taxation and general living conditions.

Industry is on the move to West Texas but it is going to the communities that are working the hardest to attract them. Up to now Hamlin has done nothing in this area and it is time we got off our duffs and start to work.

Hamlin has a lot to attract industry if we will just take the time to tell the prospects about ourselves.

The Pipers will open district play Friday night with their old arch rivals, the Anson Tigers. Both teams will go into the contest with identical 3-1 records and both teams have lost to the same opponent, Clyde.

In case past records mean anything, the Tigers have won six of the last 10 games between these two long time foes.

With the close of non-conference play we thought that you might be interested in some of the statistics on the first four games.

Hamlin has out scored its opponents 131 to 34 and have not given up a touchdown in either the first or third quarters. They lead 72 to 36 in first downs and have amassed 1,425 yards in 189 carries for an average of 7.5 per try. They have held their opponents to 508 yards in 171 carries

SETS \$50,000 GOAL—

Industrial Foundation Drive Launched Here

The first steps in securing new industry for Hamlin were taken here Tuesday evening when a group of interested citizens voted to form the Hamlin Industrial Foundation and to organize an Industrial Team to work with future prospects. The meeting was sponsored by the Industrial Development Committee of the Hamlin Board of Community Development.

Meeting in the Conference Room in the City Hall, the group named committees and made plans to get a fund raising drive underway. The meeting was conducted by Pat Willoughby, chairman of the BCD committee, with

about 25 local citizens taking part.

A tentative goal of raising \$50,000 over a five-year period was set by the committee for the Foundation. Heading the financial committee will be S. C. Ferguson Jr. Named to serve

with him were: Pat Willoughby, Robert Fowler, Raymond Scifres, John Ferguson, Lewis Madden, Ed Duncan, Burl Sauls and Starr Inzer.

Named to head the Legal committee to draw up the charter for the non-profit organization was Attorney

John Watts and Bob Craig was named chairman of the publicity committee.

Lloyd Burkhardt was named chairman of the Industrial team which is planning to attend a training school in Austin which is sponsored by the Texas Industrial Commission. A date for this training session will be worked out in the near future.

Volunteering to serve on this committee were Robert Fowler, Bill Davis, John Steele, Ellis West, Raymond Scifres, Eddie Connally, Ned Moore, Joe Ford, Pat Willoughby, Bob Craig, Bryan Swank and John Ferguson Jr.

It was pointed out at the initial meeting that Hamlin must have both an Industrial Foundation and an Industrial Team if it hopes to compete for new industries. It was also pointed out that most area towns that are growing are the ones that are organized and are actively seeking to attract new industry.

The purpose of an Industrial Foundation, it was pointed out at the meeting, is to help develop industrial sites, construct plants for sale or lease, and assist new industry in locating in Hamlin.

The purpose of the Industrial Team is to prepare all of the information that would be needed by a potential industry in determining if it would be profitable for them to locate here, and to be prepared to present this information when needed.

The first Industrial Foundation was formed in Texas in 1944 in Tyler and by 1952 there were 15 such foundations according to the Texas Industrial Commission and at present there are over 200 in the state.

Vocational Adult Classes To Be Offered By School

An organizational meeting will be held Thursday, Oct. 10, at 7 p.m. in the Hamlin High School Cafeteria for those interested in Vocational Adult Education Classes, according to Bob Hawes, Hamlin School Superintendent.

According to Hawes, present plans are to offer classes in the following

areas: typing, nurses aide, welding, general construction, auto and tractor mechanics and possibly radio and TV technicians.

Arrangements have recently been completed with Texas State Technical Institute of Sweetwater to conduct these various vocational adult classes.

If interest is shown, classes will convene Tuesday, Oct. 15. Any interested adult who is 19 years of age or older and who wants to be trained or wants to upgrade his or her skills in one of these areas is eligible.

Supt. Hawes said that there would be no charge for the classes and any interested person may sign up for a course that interests him or her.

The Hamlin Board of Education has given its unanimous support to this program and has offered all the district's available resources in support of this program, the superintendent said.

Those interested are urged to attend the organizational meeting Thursday, Oct. 10, at 7 p.m., Hawes said. He added that the number interested will determine which classes will or will not be taught.

Flea Market Saturday

Hamlin merchants are completing plans for the third and final Flea Market sale of the year here Saturday. Several of the local merchants are expected to join many area residents out on the sidewalks of downtown Hamlin Saturday with goods for sale.

Many individuals and organizations are expected to set up tables along main street and hawk their wares along with the merchants. The big downtown garage sale is sponsored by the BCD Retail Trade Committee each year.

Everyone is invited to take part in this huge bargain hunting spree with those not taking part in the sale to just come to town and browse among the many tables and racks of goods.

"Got something you don't need, maybe you can trade it for something that someone else doesn't need," the committee urged.

after getting hurt against Clyde.

The Anson Tigers, under head coach Dick Rogers, is expected to operate from the Houston Veer offense and like to pass about as much as they like to run. Throwing for the Tigers will be Quarterback Tony Watts, 175 pounds. He also runs the option well.

Top running back for the Tigers is John Booker, 170 pounds, who has scored 54 points for the Tigers this season. Joining him in the backfield will be Jack Moreland, 155 pounds. At flanker will be Eddie Graham, 150 pounds, who is a good receiver and a good blocker.

The ends are Ronnie McWhirter, 150 pounds, and Ramon Ramos, 155 pounds, both are good blockers and good receivers. Playing tackle for the Tigers will be Wayne McWhirter, 195 pounds, and John Reeves, 200 pounds, and at guard will be Jerry Vaughn, 185 pounds, Ken Watson, 190 pounds, and at center will be Mike Mitchell, 200 pounds. From tackle to tackle the Tigers average 194 pounds, according to their program weights. On defense the Tigers' front five averages 205 pounds.

20-0 in non-conference play. The big upset of the week was Coahoma losing to McCamey, 14-6. Other 6-AA teams suffering losses were Stamford losing to Haskell, 30-12 and Colorado City losing to Post 27-7.

Coach David Bonds expects his Pipers to be in the best shape physically for Friday night's district opener since the Pipers played Haskell. Senior Fullback Steve Evans returned to workouts Monday for the first since the Haskell contest and Junior Halfback Daniel Willis is expected to return to action this week

New Program Challenges Students At All Levels

Students in the elementary school are being challenged to their maximum potential in reading skills in a program initiated this week in the Reading Resource Center in the elementary building.

Mrs. Richard Young, resource teacher, is being assisted by three aides and a number of volunteer adults in implementing the program.

The students are taken from their classrooms to the

Resource Center and are encouraged to excel through the use of film strips, teaching games, skills games and special books which are read while listening to the recorded text. Questions follow each portion read to determine comprehension.

Some students are helped individually in such activities as individual filmstrips, others are helped in small groups. Each child's needs are analyzed by Mrs. Young and he or she is put into the proper learning situation.

The Language Master, a system of word recognition, enables the child to see the work, hear the word and then the student uses the word in a sentence.

Volunteers working in the program are Mrs. Bill Howerton, Mrs. Diane Jenkins, Mrs. Barry Moore, Mrs. Marie Walker, Mrs. Leo Stinnett, Mrs. Neomia McGee, Mrs. Jerry Houghton, Mrs. Walter Hickman, Mrs. Trine Contreras and Mrs. Joe Don Hymer.

Other volunteers are Belinda Brown, Mrs. Earlene Sellers, Lula Matthews, Mrs. Donald Young, Mrs. L. B. Bruner, Mrs. Holman Jones and Mrs. Davis Weaver.

Mrs. Gary Finley, aide, works in the Center all day. Aides Joy Burleson and Mrs. Joe Cortez are there each afternoon.

AARP to Meet Here Tonight

The American Association of Retired Persons will meet tonight (Thursday) at 7:00 at the Jaycee building. Everyone is to bring a covered dish.

Reports will be given about the workshop that was held at Munday. There will be a short program by Mrs. Chris Pena from the school system. After the business session, games will be played.

NEW APPROACH HERE—Hamlin elementary students are being encouraged to reach their maximum potential in reading in the new program started this week. Here, Mrs. Diane Jenkins, center, is one of many volunteers who are working with Mrs. Richard Young, resource teacher. The students, from left, Ray Morales, Hayden Merket, Brad Lakey and Mitch Hymer are using headsets to hear the reading material as pictures are flashed on the screen in front of them.

A Word of Appreciation . . .

On October 1 we started our fifth year in the pastorate of First Baptist Church in Hamlin, and as residents of the City of Hamlin.

We are truly grateful to Almighty God for His blessings upon our ministry here these four years. During this time total receipts by the church have reached the astounding amount of \$514,820.00, the new building complex was constructed, more land purchased and the parking area built.

We have come to sincerely love our church, our little city, and this area of Texas. Therefore, this means is taken to express our appreciation to the membership of First Baptist Church, and to the citizenship of this and outlying communities.

FROM THE FILES . . .

FIFTY YEARS AGO
(October 3, 1924)

The Herald is requested to announce that the Hamlin Booster Band will give a free Concert on the streets, Tuesday night, about 7:30 o'clock.

Rev. Joe Lockhart will preach at the Union Tabernacle, in Hamlin, on Sunday afternoon at 3:00 o'clock. Keep this date in mind. Rev. Lockhart wants a good hearing.

Rev. Reaves will be in Hamlin this week and will occupy the pulpit as pastor this Sunday morning for the first time. Rev. Reaves is no stranger in Hamlin for he held a short revival meeting here during the first of September and made a host of friends and acquaintances.

Bro. R. L. Yancy, of Abilene, will preach at the Church of Christ, Sunday, Oct. 5, at eleven a.m. and again in the evening.

The barber shop, formerly known as Hodges Shop is now enjoying a new name, "The City Barber Shop," and is occupying the south half of Scales building. This gives room for extensive improvement, according to Mr. Hodges, the proprietor.

A delightful party was enjoyed at the home of Mrs. J. V. Milsap, on Thursday afternoon of last week when Mrs. Milsap and Mrs. L. E. Littleton entertained from three to five o'clock.

This week, L. H. McDuff and family moved to Anson, where they will make their home or where they will again be at home, for Anson is the old "camp" ground for L. H. He was in business there a good many years and later became a successful farmer in the Carlton community and the past year or so has been in the grocery business in Hamlin.

TWENTY YEARS AGO
(October 1, 1954)

Oil activity in the Hamlin section continues at a reduced pace this week. With only a few rigs operating, two new locations were

announced for the region.

Lennie Greenway, cashier, and Mrs. Faye Atkinson, secretary, of the Farmers and Merchants National Bank, left Wednesday via the Pioneer Airline for Houston, where they were to attend the annual convention of the American Bank Women's Association.

PLACIDITY

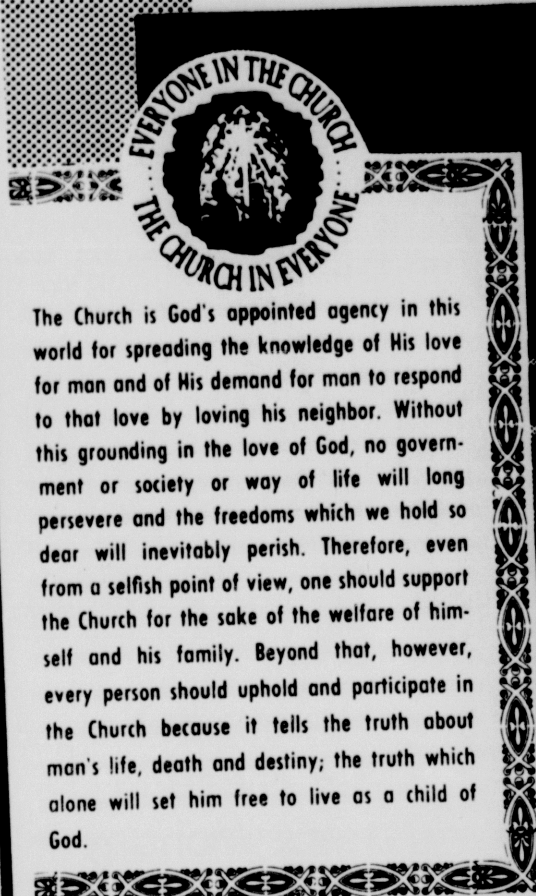

"Thou wilt keep him in perfect peace, whose mind is stayed on thee. Because he trusteth in thee." Isaiah 26:3

"The peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." Phillipians 4:7

God has never promised life without trouble nor progress without striving. He has, however, promised that amid the tumult and strife

He would give us an inner peace if we let Him live in our hearts.

Learn about this unusual peace offered to all freely.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

MAKES TACKLE—Robert Phariss (40) comes up from his defensive halfback position to make the tackle on Cisco runner Kelly Kent (26) Friday night at Cisco. The Pipers broke a 20-20 tie late in the final period to take a 28-20 win. The Pipers open district play at Anson Friday night with the kickoff set for 7:30. (Photo by Tim Jones)

BEAT CISCO LOBOES—
Pipers Score In Final
Minutes for 28-20 Win

The Pied Pipers drove 88 yards in four plays late in the fourth period to break a 20-20 tie and defeat the Cisco Lobos, 28-20. The Lobos tied the game up with 3:43 left on the scoreboard clock in the final quarter, but it took the Pipers a minute and 36 seconds to put eight points on the board.

Playing on their home field, the Lobos operating from their "Quail" formation, took an early second quarter 7-0 lead with the Pipers tying up the game midway in the same period. The Pipers scored once in the third period and again on the first play of the final period to take a short lived 20-7 lead.

The Lobos scored back to back touchdowns in the final period with Hamlin Linebacker Raymond Jordan blocking the all important try for the extra point.

Junior Halfback Robert Phariss broke loose for 54 yards to open the winning Piper touchdown drive. Running from his own 12, the youngster was finally pulled down from behind at the Cisco 34. Johnny Jones carried twice for 15 yards to the Lobo 19 and then with the Lobo defenders looking for Jones again, Junior Fullback Russell May worked the fullback trap for 19 yards and the score. He was at the five before the Cisco defenders realized who had the ball. Jones carried in for the two-point play.

Jones, an All-State senior, had his best night of the year as he carried 27 times for 316 yards and picked up 12 points. He averaged 11.7 yards per carry and brought his season total up to 763 yards in 64 carries for an average of 11.9. He is the leading Piper scorer with 50 points.

Kelly Kent, the Lobo Quailback, had 140 yards in 22 carries for a 7.0 average.

Phariss finished the night with 82 yards in nine carries for a 9.1 average and May carried eight times for 45 yards, 5.6 average.

Phariss took the opening kickoff for Hamlin and returned it to the Hamlin 28. On the first play, Jones broke around his left end for 38 yards and a first down at the Lobo 34. Senior Quarterback Tracy Rowland connected with Senior Split Receiver Oscar Marshall for six yards and then Phariss was stopped after a yard gain. Jones picked up another first down on an eight-yard carry to the 19. May broke the trap for 13 yards to the Cisco 8. But the Lobo defense stiffened at this point and four plays later Jones was stopped at the one-foot line.

Cisco failed to make a first down and the two teams exchanged punts with Cisco getting the ball again on their 31, but a 15-yard penalty was stepped off and they started play back at their own 16. On third down Ronny Powelson passed to Pepper Puryear for a first down at the 31, Kent picked up 21 to the Hamlin 48. Powelson connected on a 15-

yard pass to Tim Cheshire for a first down on the Hamlin 33. Facing fourth and two, Powelson passed to Cheshire again for eight yards and a first down at the 9. Hamlin drew a five-yard penalty and on third down Powelson passed to Billy Collins for five yards and the score. The kick was good and the Lobos were ahead 7-0 with 10:42 left in the second period.

The Pipers lost the ball on a fumble on second down and the Lobos took over at the Hamlin 38. But a tough Piper defense gave up only eight yards in three plays and Powelson's fourth down pass fell incomplete.

Taking over on their own 29, the Pipers called on Jones for 11 yards and a first down at the 40. Rowland's first down pass was incomplete and May was stopped for a yard gain before Jones broke loose again, this time for 29 yards and a first down at the Cisco 30. May was stopped for no gain and then Phariss picked up 14 yards and another first down. From the 16, Jones carried for six to the 10 and then Cisco was penalized five more to the five-yard line. Rowland passed to William Brown for the score. Rowland's kick was good and the score was tied at 7-7 with 5:51 left in the first half.

The two teams exchanged punts twice during the remainder of the first half before the Lobos coughed up another fumble with just seconds left on the clock. Jones brought the crowd to its feet as he broke loose for 33 yards as the half ended.

Following the second half kickoff, the Lobos picked up a first down before punting out to the Hamlin 30. Phariss carried for one, but a 15-yard penalty put the Pipers back on their own 16. Jones picked up 16 yards and Rowland six before Cisco was charged with a 15-yard penalty to give the Pipers a first down at the Lobo 46. Jones carried for three and May three before Jones broke around his right end and raced 41 yards to score. Rowland added the point after and the Pipers lead 14-7.

The two teams exchanged punts again following the kickoff and then Cisco lost their second fumble of the evening with Hamlin recovering it at the Lobo 28. Rowland was stopped for no gain and then Jones was dropped for a two-yard loss before ripping off 21 yards to the Lobo nine. Rowland carried for five and then Jones carried for two and then scored around his right

end from the two. Rowland's kick was no good and the Pipers led 20-7.

Cisco returned the kickoff back to their own 42 from where Powelson passed to Kent for 10 to the Hamlin 48. Facing fourth down and two at the 30, the Lobos called on Kent who picked up the first down at the 34. Kent picked up another first down at the 24 and then carried for 15 to the Hamlin 9. Kent was stopped for a yard gain and then Powelson passed to Collins for the eight yards and the score. The kick was good to make it 20-14 with 7:59 left in the game.

a 15-yard Hamlin penalty put them back on their own 21 following the kickoff. In three plays they netted four yards and punted with the ball going off to the side and Cisco took over again on the Hamlin 35.

Kent carried for gains of five, nine and six before Powelson passed to Puryear for 10 for a first down at the five. Kent carried for three and then Powelson carried in from the two. Jordan came up the middle to block the go ahead extra point and the game was tied 20-20 with 3:43 left on the clock.

But four plays later the Pipers were out in front again on May's 19-yard touchdown run and Jones' two-point play.

With 2:07 left in the contest, the Pipers kicked off with Cisco returning it to their own 34 before fumbling with Hamlin recovering.

Phariss carried for 13, May for six and then May was stopped for no gain. Jones picked up six for a first down at the Cisco 8. Jones carried to the four and was stopped for no gain as time ran out.

JV's, Junior High to Host Anson Tonight

The Hamlin Junior Varsity and the two junior high football teams will host Anson here tonight (Thursday) with the seventh graders starting the action at 5 p.m. They will be followed by the eighth grade and then the JV's.

The Hamlin Freshmen will travel to Sweetwater for a 7:30 game with the Sweetwater Freshmen. The game was originally scheduled with Wylie but was changed.

Because of a muddy field the Freshmen did not play at Rotan last Thursday and suited up with the Junior Varsity to play at Aspermont. The teams played to a 14-14 tie.

The Junior High games were also played at Aspermont and the seventh grade tied 6-6 and the local eighth graders defeated Aspermont, 12-6.

Members of the Order of the Eastern Star will hold a bake sale, Thursday, Oct. 10, prior to homecoming, in front of Thrif-Tee Grocery.

NEWS FROM
McCAULLEY
By MRS. FRED KEMP

McCauley High School football team won their first game of the season Saturday afternoon when they defeated Hobbs 14-6. The Eagles will play Paint Creek at home Friday night. Quarterback Ronnie Williams has a torn ligament in his knee and was unable to play.

Martin Decker is home after being hospitalized at Callan Hospital in Rotan last week.

Mr. and Mrs. James Smart and family attended the funeral of Lewie Penny, Mrs. Smart's brother in Fort Worth.

Mrs. Gillie Beard attended the wedding of her grandson, Miles Beard, at Wilson last week. The bride was the former Janis Talknitt of Wilson. The couple will be living in Amarillo. Mrs.

Beard was accompanied to the wedding by Mr. and Mrs. Arnold Griffin.

Mrs. Barbara Everett joined the McCauley faculty as Home Economics teacher Monday morning. She replaced Mrs. Edna Thompson who moved with her husband to Snyder.

Rev. R. M. Babb is in Big Spring Hospital where he has undergone surgery on his throat.

McCauley Junior High played their first football game on home field Thursday afternoon. Hobbs won the game by a sizeable score but our team played a good game. None of the boys had ever played a game before. Cheerleaders are Shiela Jeffrey, Debbie Carpenter and Arlene Coleman. Twirler is Lolita Perales. We hope for better luck this week when they play Trent on the home field. Game time for junior high is 7 p.m.

McCauley 4-H postponed its regular meeting until tonight (Thursday) at 8:00 in the home economics building. Mr. and Mrs. Jerry Jeffrey will have change of programs for the evening.

Mrs. B. F. Kemp who has been in Hamlin Hospital is improved and will return home this week in time to celebrate her 97th birthday Oct. 14.

We would like to welcome Mr. and Mrs. Bill Vaughn to our community. Daughter Kay is a senior formerly of Hobbs, Tex.

Teachers Set Meeting

The Fisher County Teachers Association will meet Monday at 7:00 p.m. in the McCauley School Cafeteria for the first meeting of the year.

Members will discuss the TSTA-NEA relations unification.

Franklin D. Hunt, field representative of the Texas State Teachers Association will be the guest speaker.

Dies Tuesday

Mrs. Cora Roach, resident of Holiday Lodge for several years, died at 7:45 p.m. Tuesday.

Funeral arrangements are pending at McCoy Funeral Home.

Texas Water Rights Commission adopted a new policy requiring water district developers to contribute up to 30 per cent of cost of water, sewer and drainage facilities.

Hamlin High Happenings
Piper Patter

By Patrice Moore
Lisa Absher
Gary Ford

The Hamlin Pipers and the Cisco Lobos, two successful teams, had an exciting game Friday night; but Hamlin proved to be better. After the

pep rally, Hamlin's student body was ready for the Lobos and so were the football players. Though the 28-20 score was not as high as Hamlin would have liked it, the fact that we won seemed to satisfy all of us.

Services Held At Sylvester For O. H. Cox

Funeral services for Orville Howard Cox, 67, of Sylvester, were held at 2 p.m. Tuesday in First United Methodist Church of Sylvester.

The defense awards were given to Raymond Jordan and William Brown.

Gary Neal and Luke Reynolds took the offense awards, while Johnny Jones and Tracy Rowland got the 101 percent awards.

hhs
Homecoming is less than two weeks away. All of the classes are preparing their floats for the parade.

hhs
The Student Council has proclaimed Friday, Oct. 11, 1950's Day. Everyone will be dressing as if he or she were living in the 1950's. The day will begin with a 1950's pep rally and end with a "Remember When" party after the game.

hhs
This Friday the Pipers will travel to Anson to start their district games. Support our Pipers at the pep rally Friday morning and at the game Friday night.

Tickets Now On Sale Here

Reserved seat tickets for the Homecoming football game Friday, Oct. 10, will be sold only at the high school business office, according to Principal B. V. Newberry.

The tickets were not placed on sale at the drug stores because only a limited number are available, he said.

All persons who will need reserved seat tickets are urged to buy them soon.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

The BCD Industrial Development Committee, headed by Pat Willoughby, has started the ball rolling on forming an Industrial Foundation for Hamlin. The Committee is also working on the formation of an Industrial Team.

The Group met last week and made plans to enlarge the committee to cover a larger segment of those people who might be interested in working on such a project. The first meeting of the enlarged group was held here Tuesday evening.

Since this is being written on Monday, we do not know what kind of response was generated at the meeting, but hopefully the first big step in attracting industry to Hamlin will be made by this group.

We have tried to point out many times in this column that Hamlin can not just stand and wait for a new industry to come to us—we must get organized and go after these prospects.

We have been told in the past by experts in this field that in order to attract new industry a community must have an Industrial Foundation and a team trained to meet with the potential prospects. Hopefully, out of this meeting Tuesday night will come the first step in reaching both of these goals.

The purpose of a Foundation is to raise money to provide funds to help provide buildings or building sites for new industry. In many cases the funds have been used by communities to help local industry grow. Sometimes communities use these funds to buy or take out options on land that would be suitable for industrial development. There are many government loans available that require a local foundation to provide part of the funds.

It is the hope of the committee that a number of people, hopefully as many as 10 or more, will be interested in taking part in the Industrial Team project. It is the goal of the committee to send this group to Austin for a one-day training session to be conducted by the Texas Industrial Commission.

The purpose of this group is to come up with the answers to all of the questions about Hamlin that a prospective industry would need to know. This team must know about local utilities, transportation, building sites, financing, labor, taxation and general living conditions.

Industry is on the move to West Texas but it is going to the communities that are working the hardest to attract them. Up to now Hamlin has done nothing in this area and it is time we got off our duffs and start to work.

Hamlin has a lot to attract industry if we will just take the time to tell the prospects about ourselves.

The Pipers will open district play Friday night with their old arch rivals, the Anson Tigers. Both teams will go into the contest with identical 3-1 records and both teams have lost to the same opponent, Clyde.

In case past records mean anything, the Tigers have won six of the last 10 games between these two long time foes.

With the close of non-conference play we thought that you might be interested in some of the statistics on the first four games.

Hamlin has out scored its opponents 131 to 34 and have not given up a touchdown in either the first or third quarters. They lead 72 to 36 in first downs and have amassed 1,425 yards in 189 carries for an average of 7.5 per try. They have held their opponents to 508 yards in 171 carries

SERVICE PIN—Miss Mary Bigham, right, receives a 25-year service pin from Winn's Stores, Inc., here Monday. Presenting the pin to Miss Bigham is Donald Hash, district superintendent. She has worked 45 years for the local variety store, 25 of which have been under the ownership of Winn's.

Pipers to Open District Play At Anson Friday

The Pied Pipers will open defense of their district title this week when they journey to Anson to take on the Tigers. Both teams finished non-conference play with 3-1 records with both teams losing to the Clyde Bulldogs.

Reserved seat tickets for the Anson game are available at all three drug stores, according to B. V. Newberry, Hamlin High School principal.

Fans are reminded that kick-off time will be at 7:30 p.m., the time for all district contests.

Last week the Tigers lost to Clyde, 14-0, while the Pipers were knocking off the highly rated Cisco Lobos, 28-20. Other 6-AA action Friday will see Ballinger at Winters and Colorado City at Coahoma. Stamford is idle.

Last week Ballinger defeated Coleman, 28-7 and Winters defeated Eldorado,

Registration Of Bicycles Is Planned

Bicycles will be registered at the Hamlin Primary and Elementary Schools as part of bicycle safety program Thursday, Oct. 10. Youngsters are being urged to bring a description of their bicycles to school with them on that day.

The make, model, size and serial number of the bicycles will be recorded by members of the Hamlin Veterans of Foreign Wars Auxiliary and will be placed on file with the Hamlin Police Department. The women will also be passing out Lite-A-Bike tape to each of the young bike owners.

There will be no charge for registration.

The program is part of a bicycle safety program being conducted by the Hamlin Elementary Parent-Teacher Association on that day. Wendell Rehm, patrolman with the Texas Department of Safety, will speak and show a slide program to the youngsters.

Patrolman Rehm will be guest speaker for the 3:40 p.m. PTA meeting and will talk to the members on their role in safety. He will emphasize what they can do to promote safety among the children, acquainting them with the rules for bicycles. Two booklets concerning child safety in other areas will be distributed.

20-0 in non-conference play. The big upset of the week was Coahoma losing to McCamey, 14-6. Other 6-AA teams suffering losses were Stamford losing to Haskell, 30-12 and Colorado City losing to Post 27-7.

Coach David Bonds expects his Pipers to be in the best shape physically for Friday night's district opener since the Pipers played Haskell. Senior Fullback Steve Evans returned to workouts Monday for the first since the Haskell contest and Junior Halfback Daniel Willis is expected to return to action this week

SETS \$50,000 GOAL—

Industrial Foundation Drive Launched Here

The first steps in securing new industry for Hamlin were taken here Tuesday evening when a group of interested citizens voted to form the Hamlin Industrial Foundation and to organize an Industrial Team to work with future prospects. The meeting was sponsored by the Industrial Development Committee of the Hamlin Board of Community Development.

Meeting in the Conference Room in the City Hall, the group named committees and made plans to get a fund raising drive underway. The meeting was conducted by Pat Willoughby, chairman of the BCD committee, with

about 25 local citizens taking part.

A tentative goal of raising \$50,000 over a five-year period was set by the committee for the Foundation. Heading the financial committee will be S. C. Ferguson Jr. Named to serve

with him were: Pat Willoughby, Robert Fowler, Raymond Scifres, John Ferguson, Lewis Madden, Ed Duncan, Burl Sauls and Starr Inzer. Named to head the Legal committee to draw up the charter for the non-profit organization was Attorney

John Watts and Bob Craig was named chairman of the publicity committee.

Lloyd Burkhardt was named chairman of the Industrial team which is planning to attend a training school in Austin which is sponsored by the Texas Industrial Commission. A date for this training session will be worked out in the near future.

Volunteering to serve on this committee were Robert Fowler, Bill Davis, John Steele, Ellis West, Raymond Scifres, Eddie Connolly, Ned Moore, Joe Ford, Pat Willoughby, Bob Craig, Bryan Swank and John Ferguson Jr.

It was pointed out at the initial meeting that Hamlin must have both an Industrial Foundation and an Industrial Team if it hopes to compete for new industries. It was also pointed out that most area towns that are growing are the ones that are organized and are actively seeking to attract new industry.

The purpose of an Industrial Foundation, it was pointed out at the meeting, is to help develop industrial sites, construct plants for sale or lease, and assist new industry in locating in Hamlin.

The purpose of the Industrial Team is to prepare all of the information that would be needed by a potential industry in determining if it would be profitable for them to locate here, and to be prepared to present this information when needed.

The first Industrial Foundation was formed in Texas in 1944 in Tyler and by 1952 there were 15 such foundations according to the Texas Industrial Commission and at present there are over 200 in the state.

Vocational Adult Classes To Be Offered By School

An organizational meeting will be held Thursday, Oct. 10, at 7 p.m. in the Hamlin High School Cafeteria for those interested in Vocational Adult Education Classes, according to Bob Hawes, Hamlin School Superintendent.

According to Hawes, present plans are to offer classes in the following

areas: typing, nurses aide, welding, general construction, auto and tractor mechanics and possibly radio and TV technicians.

Arrangements have recently been completed with Texas State Technical Institute of Sweetwater to conduct these various vocational adult classes.

If interest is shown, classes will convene Tuesday, Oct. 15. Any interested adult who is 19 years of age or older and who wants to be trained or wants to upgrade his or her skills in one of these areas is eligible.

Supt. Hawes said that there would be no charge for the classes and any interested person may sign up for a course that interests him or her.

The Hamlin Board of Education has given its unanimous support to this program and has offered all the district's available resources in support of this program, the superintendent said.

Those interested are urged to attend the organizational meeting Thursday, Oct. 10, at 7 p.m., Hawes said. He added that the number interested will determine which classes will or will not be taught.

Flea Market Saturday

Hamlin merchants are completing plans for the third and final Flea Market sale of the year here Saturday. Several of the local merchants are expected to join many area residents out on the sidewalks of downtown Hamlin Saturday with goods for sale.

Many individuals and organizations are expected to set up tables along main street and hawk their wares along with the merchants. The big downtown garage sale is sponsored by the BCD Retail Trade Committee each year.

Everyone is invited to take part in this huge bargain hunting spree with those not taking part in the sale to just come to town and browse among the many tables and racks of goods.

"Got something you don't need, maybe you can trade it for something that someone else doesn't need," the committee urged.

Sweetwater Savings Assn. Plans Branch In Hamlin

The Texas Savings and Loan department in Austin has approved the application of Sweetwater Savings Association for a branch office in Hamlin.

Ed Aiken, president of the Sweetwater based firm, announced that the branch will be located on South Central on the site formerly occupied by a locker plant and ice service.

Aiken said demolition of the building began last week and that the new savings office will be contained in a 1,500 square building with a drive-in facility and off-street parking. The building will also contain a community room, Aiken said.

He said he anticipates opening the office "shortly

after the first of the year."

A branch manager has not yet been named, Aiken said, but the office will be under the supervision of Bernie Hawley, vice president in charge of branch operations. The firm currently operates a branch in Rotan.

Date Set for Annual P-TA Fund Drive

The annual Parent-Teachers Association magazine and Hamlin Herald Drive will be held Oct. 11 through Oct. 22, according to Mrs. Danny Tice, chairman of the main money raising project for the organization.

Mrs. Tice, finance chairman, said that students in junior high school and elementary would be receiving materials Friday, Oct. 11. Student will be working for prizes, based on the number of sales.

Activities Announced for 20th Homecoming Here

The Hamlin Ex-Student Association will mark the 20th anniversary of Homecoming activities for former students and teachers at the event this year to be held Oct. 10-11.

Headquarters will be at Reynolds Drug Store and Merle Norman Studio.

It has been reported that many of the former students are not receiving their letters which were mailed out by the association.

Those who have not received a letter may register for the 1974 Homecoming by sending \$2 for each person to the Ex-Students Association, P. O. Box 323, Hamlin. Each person is also asked to include current mailing address and class year.

The downtown pep rally will be held at 3 p.m. Friday, Oct. 11. Chili will be served from 5 to 7 p.m. in the high school cafeteria and kickoff for the Hamlin-Winters football game will be at 7:30 p.m. An auction of cakes and pies will be held at the after-game coffee in the cafeteria.

Saturday, Oct. 12, the activities will begin with the Booster Club's ex-Letterman's Breakfast at the school at 8 a.m. The National Honor Society coffee for ex-

members will be held at 9 a.m. in the teachers' lounge. National Honor Society ex-members will be honored with a coffee, also at 9 a.m. Theme of the 10:30 parade will be "Remember When." The noon luncheon, catered by Doby Johnson's Hickory Stick of Odessa, will be from 11 a.m. to 1 p.m. followed by the business meeting.

PPK Contest Set Saturday At Stadium

The signup deadline for the 14th annual Punt, Pass and Kick contest to be held here Saturday is today (Thursday) at Connolly Ford Sales.

The contest, which is sponsored by the National Football League and the Ford Dealers of America, is for any youngster 8 through 13 years of age. The local contest will be held at the high school at 2 p.m. Saturday.

Participants compete only against others in their own age group. No special equipment is required and there is no body contact. Also, participation does not impair a youngster's amateur standing.

Winners here will advance on a district contest to be held later.

Mr. and Mrs. Sammy Glenn Bond of Hawley are parents of a girl, Shelley Renee Mari, 7 lb. 12 1/2 oz., born Oct. 1 at 2 p.m.

New Program Challenges Students At All Levels

Students in the elementary school are being challenged to their maximum potential in reading skills in a program initiated this week in the Reading Resource Center in the elementary building.

Mrs. Richard Young, resource teacher, is being assisted by three aides and a number of volunteer adults in implementing the program. The students are taken from their classrooms to the

Resource Center and are encouraged to excel through the use of film strips, teaching games, skills games and special books which are read while listening to the recorded text. Questions follow each portion read to determine comprehension.

Some students are helped individually in such activities as individual filmstrips, others are helped in small groups. Each child's needs are analyzed by Mrs. Young and he or she is put into the proper learning situation.

The Language Master, a system of word recognition, enables the child to see the work, hear the word and then the student uses the word in a sentence.

Volunteers working in the program are Mrs. Bill Howerton, Mrs. Diane Jenkins, Mrs. Barry Moore, Mrs. Marie Walker, Mrs. Leo Stinnett, Mrs. Neomia McGee, Mrs. Jerry Houghton, Mrs. Walter Hickman, Mrs. Trine Contreras and Mrs. Joe Don Hymer.

Other volunteers are Belinda Brown, Mrs. Earlene Sellers, Lula Matthews, Mrs. Donald Young, Mrs. L. B. Bruner, Mrs. Holman Jones and Mrs. Davis Weaver.

Mrs. Gary Finley, aide, works in the Center all day. Aides Joy Burleson and Mrs. Joe Cortez are there each afternoon.

AARP to Meet Here Tonight

The American Association of Retired Persons will meet tonight (Thursday) at 7:00 at the Jaycee building. Everyone is to bring a covered dish.

Reports will be given about the workshop that was held at Munday. There will be a short program by Mrs. Chris Pena from the school system. After the business session, games will be played.

NEW APPROACH HERE—Hamlin elementary students are being encouraged to reach their maximum potential in reading in the new program started this week. Here, Mrs. Diane Jenkins, center, is one of many volunteers who are working with Mrs. Richard Young, resource teacher. The students, from left, Ray Morales, Hayden Merket, Brad Lakey and Mitch Hymer are using headsets to hear the reading material as pictures are flashed on the screen in front of them.

FROM THE FILES . . .

FIFTY YEARS AGO (October 3, 1924)

The Herald is requested to announce that the Hamlin Booster Band will give a free Concert on the streets, Tuesday night, about 7:30 o'clock.

Rev. Joe Lockhart will preach at the Union Tabernacle, in Hamlin, on Sunday afternoon at 3:00 o'clock. Keep this date in mind. Rev. Lockhart wants a good hearing.

Rev. Reaves will be in Hamlin this week and will occupy the pulpit as pastor this Sunday morning for the first time. Rev. Reaves is no stranger in Hamlin for he held a short revival meeting here during the first of September and made a host of friends and acquaintances.

Bro. R. L. Yancy, of Abilene, will preach at the Church of Christ, Sunday, Oct. 5, at eleven a.m. and again in the evening.

The barber shop, formerly known as Hodges Shop is now enjoying a new name, "The City Barber Shop," and is occupying the south half of Scales building. This gives room for extensive improvement, according to Mr. Hodges, the proprietor.

A delightful party was enjoyed at the home of Mrs. J. V. Milsap, on Thursday afternoon of last week when Mrs. Milsap and Mrs. L. E. Littleton entertained from three to five o'clock.

This week, L. H. McDuff and family moved to Anson, where they will make their home or where they will again be at home, for Anson is the old "camp" ground for L. H. He was in business there a good many years and later became a successful farmer in the Carlton community and the past year or so has been in the grocery business in Hamlin.

TWENTY YEARS AGO (October 1, 1954)

Oil activity in the Hamlin section continues at a reduced pace this week. With only a few rigs operating, two new locations were

announced for the region.

Lennie Greenway, cashier, and Mrs. Faye Atkinson, secretary, of the Farmers and Merchants National Bank, left Wednesday via the Pioneer Airline for Houston, where they were to attend the annual convention of the American Bank Women's Association.

MAKES TACKLE—Robert Phariss (40) comes up from his defensive halfback position to make the tackle on Cisco runner Kelly Kent (26) Friday night at Cisco. The Pipers broke a 20-20 tie late in the final period to take a 28-20 win. The Pipers open district play at Anson Friday night with the kickoff set for 7:30. (Photo by Tim Jones)

BEAT CISCO LOBOES—
Pipers Score In Final Minutes for 28-20 Win

The Pied Pipers drove 88 yards in four plays late in the fourth period to break a 20-20 tie and defeat the Cisco Loboes, 28-20. The Loboes tied the game up with 3:43 left on the scoreboard clock in the final quarter, but it took the Pipers a minute and 36 seconds to put eight points on the board.

Playing on their home field, the Loboes operating from their "Quail" formation, took an early second quarter 7-0 lead with the Pipers tying up the game midway in the same period. The Pipers scored once in the third period and again on the first play of the final period to take a short lived 20-7 lead.

The Loboes scored back to back touchdowns in the final period with Hamlin Linebacker Raymond Jordan blocking the all important try for the extra point.

Junior Halfback Robert Phariss broke loose for 54 yards to open the winning Piper touchdown drive. Running from his own 12, the youngster was finally pulled down from behind at the Cisco 34. Johnny Jones carried twice for 15 yards to the Lobo 19 and then with the Lobo defenders looking for Jones again, Junior Fullback Russell May worked the fullback trap for 19 yards and the score. He was at the five before the Cisco defenders realized who had the ball. Jones carried in for the two-point play.

Jones, an All-State senior, had his best night of the year as he carried 27 times for 316 yards and picked up 12 points. He averaged 11.7 yards per carry and brought his season total up to 763 yards in 64 carries for an average of 11.9. He is the leading Piper scorer with 50 points.

Kelly Kent, the Lobo Quarterback, had 140 yards in 22 carries for a 7.0 average.

Phariss finished the night with 82 yards in nine carries for a 9.1 average and May carried eight times for 45 yards, 5.6 average.

Phariss took the opening kickoff for Hamlin and returned it to the Hamlin 28. On the first play, Jones broke around his left end for 38 yards and a first down at the Lobo 34. Senior Quarterback Tracy Rowland connected with Senior Split Receiver Oscar Marshall for six yards and then Phariss was stopped after a yard gain. Jones picked up another first down on an eight-yard carry to the 19. May broke the trap for 13 yards to the Cisco 8. But the Lobo defense stiffened at this point and four plays later Jones was stopped at the one-foot line.

Cisco failed to make a first down and the two teams exchanged punts with Cisco getting the ball again on their 31, but a 15-yard penalty was stepped off and they started play back at their own 16. On third down Ronny Powelson passed to Pepper Puryear for a first down at the 31, Kent picked up 21 to the Hamlin 48. Powelson connected on a 15-

yard pass to Tim Cheshire for a first down on the Hamlin 33. Facing fourth and two, Powelson passed to Cheshire again for eight yards and a first down at the 9. Hamlin drew a five-yard penalty and on third down Powelson passed to Billy Collins for five yards and the score. The kick was good and the Loboes were ahead 7-0 with 10:42 left in the second period.

The Pipers lost the ball on a fumble on second down and the Loboes took over at the Hamlin 38. But a tough Piper defense gave up only eight yards in three plays and Powelson's fourth down pass fell incomplete.

Taking over on their own 29, the Pipers called on Jones for 11 yards and a first down at the 40. Rowland's first down pass was incomplete and May was stopped for a yard gain before Jones broke loose again, this time for 29 yards and a first down at the Cisco 30. May was stopped for no gain and then Phariss carried for 14 yards and another first down. From the 16, Jones carried for six to the 10 and then Cisco was penalized five more to the five-yard line. Rowland passed to William Brown for the score. Rowland's kick was good and the score was tied at 7-7 with 5:51 left in the first half.

The two teams exchanged punts twice during the remainder of the first half before the Loboes coughed up another fumble with just seconds left on the clock. Jones brought the crowd to its feet as he broke loose for 33 yards as the half ended.

Following the second half kickoff, the Loboes picked up a first down before punting out to the Hamlin 30. Phariss carried for one, but a 15-yard penalty put the Pipers back on their own 16. Jones picked up 16 yards and Rowland six before Cisco was charged with a 15-yard penalty to give the Pipers a first down at the Lobo 46. Jones carried for three and May three before Jones broke around his right end and raced 41 yards to score. Rowland added the point after and the Pipers lead 14-7.

The two teams exchanged punts again following the kickoff and then Cisco lost their second fumble of the evening with Hamlin recovering it at the Lobo 28. Rowland was stopped for no gain and then Jones was dropped for a two-yard loss before ripping off 21 yards to the Lobo nine. Rowland carried for five and then Jones carried for two and then scored around his right

end from the two. Rowland's kick was no good and the Pipers led 20-7.

Cisco returned the kickoff back to their own 42 from where Powelson passed to Kent for 10 to the Hamlin 48. Facing fourth down and two at the 30, the Loboes called on Kent who picked up the first down at the 34. Kent picked up another first down at the 24 and then carried for 15 to the Hamlin 9. Kent was stopped for a yard gain and then Powelson passed to Collins for the eight yards and the score. The kick was good to make it 20-14 with 7:59 left in the game.

a 15-yard Hamlin penalty put them back on their own 21 following the kickoff. In three plays they netted four yards and punted with the ball going off to the side and Cisco took over again on the Hamlin 35.

Kent carried for gains of five, nine and six before Powelson passed to Puryear for 10 for a first down at the five. Kent carried for three and then Powelson carried in from the two. Jordan came up the middle to block the go ahead extra point and the game was tied 20-20 with 3:43 left on the clock.

But four plays later the Pipers were out in front again on May's 19-yard touchdown run and Jones' two-point play.

With 2:07 left in the contest, the Pipers kicked off with Cisco returning it to their own 34 before fumbling with Hamlin recovering.

Phariss carried for 13, May for six and then May was stopped for no gain. Jones picked up six for a first down at the Cisco 8. Jones carried to the four and was stopped for no gain as time ran out.

JV's, Junior High to Host Anson Tonight

The Hamlin Junior Varsity and the two junior high football teams will host Anson here tonight (Thursday) with the seventh graders starting the action at 5 p.m. They will be followed by the eighth grade and then the JV's.

The Hamlin Freshmen will travel to Sweetwater for a 7:30 game with the Sweetwater Freshmen. The game was originally scheduled with Wylie but was changed.

Because of a muddy field the Freshmen did not play at Rotan last Thursday and suited up with the Junior Varsity to play at Aspermont. The teams played to a 14-14 tie.

The Junior High games were also played at Aspermont and the seventh grade tied 6-6 and the local eighth graders defeated Aspermont, 12-6.

Members of the Order of the Eastern Star will hold a bake sale, Thursday, Oct. 10, prior to homecoming, in front of Thrif-Tee Grocery.

Teachers Set Meeting
The Fisher County Teachers Association will meet Monday at 7:00 p.m. in the McCauley School Cafeteria for the first meeting of the year.

Members will discuss the TSTA-NEA relations unification.

Franklin D. Hunt, field representative of the Texas State Teachers Association will be the guest speaker.

Dies Tuesday

Mrs. Cora Roach, resident of Holiday Lodge for several years, died at 7:45 p.m. Tuesday.

Funeral arrangements are pending at McCoy Funeral Home.

Beard was accompanied to the wedding by Mr. and Mrs. Arnold Griffin.

Mrs. Barbara Everett joined the McCauley faculty as Home Economics teacher Monday morning. She replaced Mrs. Edna Thompson who moved with her husband to Snyder.

Rev. R. M. Babb is in Big Spring Hospital where he has undergone surgery on his throat.

McCauley Junior High played their first football game on home field Thursday afternoon. Hobbs won the game by a sizeable score but our team played a good game. None of the boys had ever played a game before. Cheerleaders are Shiela Jeffrey, Debbie Carpenter and Arlene Coleman. Twirler is Lolita Perales. We hope for better luck this week when they play Trent on the home field. Game time for junior high is 7 p.m.

McCauley 4-H postponed its regular meeting until tonight (Thursday) at 8:00 in the home economics building. Mr. and Mrs. Jerry Jeffrey will have charge of programs for the evening.

Mrs. B. F. Kemp who has been in Hamlin Hospital is improved and will return home this week in time to celebrate her 97th birthday Oct. 14.

We would like to welcome Mr. and Mrs. Bill Vaughn to our community. Daughter Kay is a senior formerly of Hobbs, Tex.

Texas Water Rights Commission adopted a new policy requiring water district developers to contribute up to 30 per cent of cost of water, sewer and drainage facilities.

Services Held At Sylvester For O. H. Cox

Funeral services for Orville Howard Cox, 67, of Sylvester, were held at 2 p.m. Tuesday in First United Methodist Church of Sylvester.

Mr. Cox, a farmer and real estate salesman, died at 2:45 p.m. Sunday in Fisher County Hospital in Rotan after a brief illness.

Officiating were the Rev. Kenneth James, pastor, the Rev. E. L. Yates of Roby and the Rev. Fred Brown of Lubbock.

Born Aug. 27, 1907, in the Golan Community in Jones County, he had lived in Sylvester most of his life. He married Georgia Ferrell in 1951 in Sylvester.

He spent 3½ years in the Army in the Pacific during World War II. After the war, he returned to the Philippines as a missionary for a year. He was a member of First United Methodist Church of Sylvester.

Survivors include his wife of the home; a brother, Pratt of McCauley; six sisters, Mrs. A. P. Johnson of Abilene, Mrs. Lela Ford of Azle, Mrs. Maggie Stockton of San Angelo, Mrs. Edna Brown of Midland, Mrs. E. A. Lawlis of Hamlin and Mrs. Jewel Fitzpatrick of Penn Yan, N.Y.

He was preceded in death by a brother, C. A. Cox, and a sister, Mrs. Manson (Ellie) James.

pep rally, Hamlin's student body was ready for the Lobos and so were the football players. Though the 28-20 score was not as high as Hamlin would have liked it, the fact that we won seemed to satisfy all of us.

The defense awards were given to Raymond Jordan and William Brown.

Gary Neal and Luke Reynolds took the offense awards, while Johnny Jones and Tracy Rowland got the 101 percent awards.

Homecoming is less than two weeks away. All of the classes are preparing their floats for the parade.

The Student Council has proclaimed Friday, Oct. 11, 1950's Day. Everyone will be dressing as if he or she were living in the 1950's. The day will begin with a 1950's pep rally and end with a "Remember When" party after the game.

Tickets Now On Sale Here

Reserved seat tickets for the Homecoming football game Friday, Oct. 10, will be sold only at the high school business office, according to Principal B. V. Newberry. The tickets were not placed on sale at the drug stores because only a limited number are available, he said.

All persons who will need reserved seat tickets are urged to buy them soon.
